SUMMIT HEALTHCARE REIT, INC. AND SUBSIDIARIES

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2021

(Unaudited)

1. Organization

Summit Healthcare REIT, Inc. (“Summit”) is a real estate investment trust that owns 100% of three properties, 95.3% of four properties, a 10% equity interest in an unconsolidated equity-method investment that holds 17 properties, a 35% equity interest in an unconsolidated equity-method investment that holds two properties, a 20% equity interest in an unconsolidated equity-method investment that holds two properties, a 10% equity interest in an unconsolidated equity-method investment that holds nine properties, and a 10% equity interest in an unconsolidated equity-method investment that holds six properties. In June 2021, we sold our 15% equity interest in an unconsolidated equity-method investment that held 14 properties. Summit is a Maryland corporation, formed in 2004 under the General Corporation Law of Maryland for the purpose of investing in and owning real estate. As used in these notes, the “Company”, “we”, “us” and “our” refer to Summit and its consolidated subsidiaries, including but not limited to Summit Healthcare Operating Partnership, L.P. (the “Operating Partnership”), except where the context otherwise requires.

We conduct substantially all of our operations through the Operating Partnership, which is a Delaware limited partnership. We own a 99.88% general partner interest in the Operating Partnership, and Cornerstone Realty Advisors, LLC (“CRA”), a former affiliate, owns a 0.12% limited partnership interest.

Summit and the Operating Partnership are managed and operated as one entity, and Summit has no significant assets other than its investment in the Operating Partnership. Summit, as the general partner of the Operating Partnership, controls the Operating Partnership and consolidates the assets, liabilities, and results of operations of the Operating Partnership. Therefore, the assets and liabilities of Summit and the Operating Partnership are the same.

Cornerstone Healthcare Partners LLC – Consolidated Joint Venture

We own 95% of Cornerstone Healthcare Partners LLC (“CHP LLC”), which was formed in 2012, and the remaining 5% noncontrolling interest is owned by Cornerstone Healthcare Real Estate Fund, Inc. (“CHREF”), an affiliate of CRA. CHP LLC is consolidated within our condensed consolidated financial statements and owns four properties (the “JV Properties”) with another partially owned subsidiary. As of June 30, 2021 and December 31, 2020, we own a 95.3% interest in the four JV Properties, and CHREF owns a 4.7% interest.

Summit Union Life Holdings, LLC – Equity-Method Investment

In April 2015, through our Operating Partnership, we entered into a limited liability company agreement with Best Years, LLC (“Best Years”), an unrelated entity and a U.S.-based affiliate of Union Life Insurance Co, Ltd. (a Chinese corporation), and formed Summit Union Life Holdings, LLC (the “SUL JV”). The SUL JV is not consolidated in our condensed consolidated financial statements and is accounted for under the equity-method. As of June 30, 2021 and December 31, 2020, we have a 10% interest in the SUL JV which owns 17 properties.

Summit Fantasia Holdings, LLC – Equity-Method Investment

In September 2016, through our Operating Partnership, we entered into a limited liability company agreement with Fantasia Investment III LLC (“Fantasia”), an unrelated entity and a U.S.-based affiliate of Fantasia Holdings Group Co., Limited (a Chinese corporation listed on the Stock Exchange of Hong Kong (HKEX)), and formed Summit Fantasia Holdings, LLC (the “Fantasia JV”). The Fantasia JV is not consolidated in our condensed consolidated financial statements and is accounted for under the equity-method. As of June 30, 2021 and December 31, 2020, we have a 35% interest in the Fantasia JV which owns two properties.

Summit Fantasia Holdings II, LLC – Equity-Method Investment

In December 2016, through our Operating Partnership, we entered into a limited liability company agreement with Fantasia, and formed Summit Fantasia Holdings II, LLC (the “Fantasia II JV”). The Fantasia II JV is not consolidated in our condensed consolidated financial statements and is accounted for under the equity-method. As of June 30, 2021 and December 31, 2020, we have a 20% interest in the Fantasia II JV which owns two properties.

Summit Fantasia Holdings III, LLC– Equity-Method Investment

In July 2017, through our Operating Partnership, we entered into a limited liability company agreement with Fantasia and formed Summit Fantasia Holdings III, LLC (the “Fantasia III JV”). The Fantasia III JV is not consolidated in our condensed consolidated financial statements and is accounted for under the equity-method. As of June 30, 2021 and December 31, 2020, we have a 10% interest in the Fantasia III JV which owns nine properties.

Summit Fantasy Pearl Holdings, LLC– Equity-Method Investment

In October 2017, through our Operating Partnership, we entered into a limited liability company agreement with Fantasia, Atlantis Senior Living 9, LLC, a Delaware limited liability company (“Atlantis”), and Fantasy Pearl LLC, a Delaware limited liability company (“Fantasy”), and formed Summit Fantasy Pearl Holdings, LLC (the “FPH JV”). The FPH JV is not consolidated in our condensed consolidated financial statements and is accounted for under the equity-method. As of June 30, 2021 and December 31, 2020, we have a 10% interest in the FPH JV which owns six properties.

Indiana JV– Equity-Method Investment

In June 2021, we sold our 15% interest in the Indiana JV for approximately \$5.4 million. See Note 5 for further information.

The Indiana JV was not consolidated in our condensed consolidated financial statements and was accounted for under the equity-method. As of June 30, 2021 and December 31, 2020, we have a 0% and 15% interest in the Indiana JV, respectively, which owned 14 properties.

Summit Healthcare Asset Management, LLC (TRS)

Summit Healthcare Asset Management, LLC (“SAM TRS”) is our wholly-owned taxable REIT subsidiary (“TRS”). We serve as the manager of the SUL JV, Fantasia JV, Fantasia II JV, Fantasia III JV, and FPH JV, and as the former operating member of the Indiana JV through June 11, 2021 (collectively, our “Equity-Method Investments”), and provide management services in exchange for fees and reimbursements. All acquisition fees and asset management fees earned by us are paid to SAM TRS and expenses incurred by us, as the manager, are reimbursed from SAM TRS. See Notes 5 and 7 for further information.

2. Summary of Significant Accounting Policies

For more information regarding our significant accounting policies and estimates, please refer to “Summary of Significant Accounting Policies” contained in the consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2020 filed with the Securities and Exchange Commission (“SEC”) on March 29, 2021. There have been no material changes to our policies since that filing except as noted under Recently Adopted Accounting Pronouncements.

The accompanying condensed consolidated balance sheet at December 31, 2020 has been derived from the audited consolidated financial statements at that date. We assume that users of these condensed consolidated financial statements have read or have access to the audited December 31, 2020 consolidated financial statements and contained in our Annual Report on Form 10-K for the year ended December 31, 2020 filed with the SEC on March 29, 2021 and that the adequacy of additional disclosure needed for a fair presentation, except in regard to material contingencies, may be determined in that context. Accordingly, footnotes and other disclosures which would substantially duplicate those contained in our most recent Annual Report on Form 10-K for the year ended December 31, 2020 have been omitted in this report.

Principles of Consolidation and Basis of Presentation

The accompanying condensed consolidated financial statements include the accounts of the Company, its wholly-owned subsidiaries, the Operating Partnership and its consolidated companies and are prepared in accordance with U.S. generally accepted accounting principles (“U.S. GAAP”). All intercompany accounts and transactions have been eliminated in consolidation.

The accompanying financial information reflects all adjustments, which are, in the opinion of management, of a normal recurring nature and necessary for a fair presentation of our financial position, results of operations and cash flows for the interim periods. Interim results of operations are not necessarily indicative of the results to be expected for the full year. Operating results for the three and six months ended June 30, 2021 are not necessarily indicative of the results that may be expected for the year ending December 31, 2021.

Restricted Cash

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the condensed consolidated balance sheets that sum to the total of the same such amounts shown on the condensed consolidated statements of cash flows.

	June 30, 2021	December 31, 2020
Cash and cash equivalents	\$ 21,026,000	\$ 14,658,000
Restricted cash	3,002,000	2,933,000
Total cash, cash equivalents, and restricted cash shown on the condensed consolidated statements of cash flows	<u>\$ 24,028,000</u>	<u>\$ 17,591,000</u>

Recently Adopted Accounting Pronouncements

In January 2020, the Financial Accounting Standards Board issued Accounting Standard Update (“ASU”) 2020-01 to clarify the interaction among the accounting standards for equity securities, equity method investments and certain derivatives. The new ASU clarifies that a company should consider observable transactions that require a company to either apply or discontinue the equity method of accounting under Topic 323, Investments—Equity Method and Joint Ventures, for the purposes of applying the measurement alternative in accordance with Topic 321 immediately before applying or upon discontinuing the equity method. For public business entities, the amendments in this ASU are effective for fiscal years beginning after December 15, 2020, and interim periods within those fiscal years. The adoption of the new standard on January 1, 2021 did not have a material effect on the Company’s financial position, results of operations, or cash flows.

Coronavirus (COVID-19)

Since it was first reported in December 2019, COVID-19 has spread globally. The outbreak has led governments and other authorities around the world, including federal, state and local authorities in the United States, to impose measures intended to control its spread, including restrictions on freedom of movement and business operations such as travel bans, border closings, business closures, quarantines and shelter-in-place orders. The COVID-19 pandemic and measures to prevent its spread negatively impacted senior housing and skilled nursing facilities in a number of ways, including but not limited to:

- Decreased occupancy and increased operating costs for the Company’s tenants and borrowers, which may adversely impact their ability to make full and timely rental and debt payments to the Company. The Company may have to restructure tenants’ long-term rent obligations in the future and may not be able to do so on terms that are as favorable to the Company as those currently in place. Reduced or modified rental and debt amounts could result in the determination that the full amounts of the Company’s real estate properties and notes receivable are not recoverable, which could result in an impairment charge.

- Decreased occupancy and increased operating costs for the Company's Equity-Method Investments that own senior housing and skilled nursing facilities, which may negatively impact the operating results of these investments. The Equity-Method Investments may have to restructure tenants' long-term rent obligations and may not be able to do so on terms that are as favorable to the Equity-Method Investments as those currently in place. Prolonged deterioration in the operating results for these investments could result in the determination that the full amounts of the Company's investments are not recoverable, which could result in an impairment charge.

For the period ended June 30, 2021, two of our tenants experienced a material adverse effect on their operations related to COVID-19, and that has affected their ability to make their rent payments in 2021. For one of the tenants, in October 2020, under a court order, a receiver assumed the responsibilities of operating and managing the Pennington Gardens facility in Chandler, Arizona. We are currently working with this tenant on a revised rent schedule for 2021, and during the six month period ended June 30, 2021, recorded rent payments on a cash basis and wrote off the remaining straight-line rent receivable of \$0.4 million. For the other tenant that is managing the Sundial Assisted Living facility and experiencing operational issues, as of June 2021, we recorded rent payments on a cash basis and wrote off the remaining straight-line rent receivable of \$0.1 million.

Additionally, some of our Equity-Method Investment tenants have experienced decreased occupancy and increased operating costs related to COVID-19, however; there have been no rent concessions for such tenants during 2021.

It is impossible to predict the continuing effect and ultimate impact of the COVID-19 pandemic on our operations and results as the situation is continuing to evolve. Many of our consolidated and Equity Method Investments facilities have administered the vaccine to residents and employees. It is too early to assess the total effect of the vaccinations on the industry, but it is believed they will help save the lives of those who are most at risk, as well as lessen the operational and financial burden on our facilities and their employees. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material adverse impact on the demand for senior housing and skilled nursing and presents material uncertainty and risk with respect to our business, operations, financial condition and liquidity, including recording impairments, lease modifications and credit losses associated with notes receivable in future periods.

CARES Act

During 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted to provide economic stimulus and assistance to business owners to help maintain on-going operations in the form of grants, forgivable loans and other relief. We did not obtain a paycheck protection program loan. We have evaluated the CARES Act and determined that there was no impact on the Company for the six-month period ended June 30, 2021 or the year ended December 31, 2020. We will continue to evaluate and monitor the CARES Act, and any new COVID-19-related legislation to determine the ultimate impact and benefits, if any, to the Company.

3. Investments in Real Estate Properties

As of June 30, 2021 and December 31, 2020, our investments in real estate properties including those held by our consolidated subsidiaries (excluding the 36 and 50 properties owned by our unconsolidated Equity-Method Investments, respectively) are set forth below:

	June 30, 2021	December 31, 2020
Land	\$ 6,237,000	\$ 6,237,000
Buildings and improvements	48,295,000	48,295,000

- (1) SNF is an abbreviation for skilled nursing facility.
AL is an abbreviation for assisted living facility.
MC is an abbreviation for memory care facility.

Future Minimum Lease Payments

The future minimum lease payments to be received under our existing tenant operating leases (excluding the 36 properties owned by our unconsolidated Equity-Method Investments) as of June 30, 2021, for the period from July 1, 2021 to December 31, 2021 and for each of the four following years and thereafter ending December 31 are as follows:

Years ending	
July 1, 2021 to December 31, 2021	\$ 2,057,000
2022	4,181,000
2023	4,264,000
2024	4,350,000
2025	4,437,000
Thereafter	15,441,000
	<u>\$ 34,730,000</u>

2021 Acquisitions

On July 2, 2021, we acquired three properties in California for approximately \$20 million. See Note 13 for further information.

Leasing Commissions

As a self-managed REIT, we no longer pay leasing commissions. Leasing commissions which were capitalized prior to April 2014 at cost and are amortized on a straight-line basis over the related lease term. As of June 30, 2021 and December 31, 2020, total costs incurred were \$1.1 million, and the unamortized balance of capitalized leasing commissions was approximately \$0.5 million. Amortization expense for each of the three months ended June 30, 2021 and 2020 was approximately \$18,000. Amortization expense for each of the six months ended June 30, 2021 and 2020 was approximately \$35,000.

4. Loans Payable

As of June 30, 2021 and December 31, 2020, our loans payable consisted of the following:

	<u>June 30, 2021</u>	<u>December 31, 2020</u>
Loan payable to Capital One Multifamily Finance, LLC (insured by HUD) in monthly installments of approximately \$49,000, including interest at a fixed rate of 4.23%, due in September 2053, and collateralized by Pennington Gardens.	\$ 10,269,000	\$ 10,330,000
Loans payable to Lument Capital (formerly ORIX Real Estate Capital, LLC) (insured by HUD) in monthly installments of approximately \$183,000, including interest, ranging from a fixed rate of 2.79% to 4.2%, due in September 2039 through April 2055, and as of June 30, 2021 and December 31, 2020, collateralized by Sheridan, Fernhill, Pacific Health, Friendship Haven, Aledo and Sundial Assisted Living.	\$ 36,400,000	\$ 36,857,000
	46,669,000	47,187,000
Less debt issuance costs	(1,879,000)	(1,913,000)
Total loans payable	<u>\$ 44,790,000</u>	<u>\$ 45,274,000</u>

As of June 30, 2021, we have total debt obligations of approximately \$46.7 million that will mature between 2039 and 2055. All of our properties are financed with U.S. Department of Housing and Urban Development (“HUD”) insured loans by various lenders. See table above listing loans payable for further information. See Note 3 for loans payable balance for each property.

[Table of Contents](#)

All of our HUD-insured loans are subject to customary representations, warranties and ongoing covenants and agreements with respect to the operation of the facilities, including the provision for certain maintenance and other reserve accounts for property tax, insurance, and capital expenditures, as described in the HUD agreements. These reserves are included in restricted cash in our condensed consolidated balance sheets. Additionally, all of our HUD-insured loans have certain financial and non-financial covenants, including ratios and financial statement considerations. As of June 30, 2021, we were in compliance with all of our debt covenants.

In connection with our loans payable, we incurred debt issuance costs. As of June 30, 2021 and December 31, 2020, the unamortized balance of the debt issuance costs was approximately \$1.9 million. These debt issuance costs are being amortized over the life of their respective financing agreements using the straight-line basis which approximates the effective interest rate method. For the three months ended June 30, 2021 and 2020, \$16,000 and \$98,000, respectively, of debt issuance costs were amortized and included in interest expense in our condensed consolidated statements of operations. For the six months ended June 30, 2021 and 2020, \$34,000 and \$132,000, respectively, of debt issuance costs were amortized and included in interest expense in our condensed consolidated statements of operations. Included in the amortization of debt issuance costs for the three and six months ended June 30, 2020 is \$77,000 related to the write off of debt issuance costs for CHP Friendswood SNF, LLC's prior loan.

During the three months ended June 30, 2021 and 2020, we incurred approximately \$0.5 million and \$0.5 million of interest expense (excluding debt issuance costs amortization), respectively, related to our loans payable. During the six months ended June 30, 2021 and 2020, we incurred approximately \$1.0 million and \$1.1 million, respectively, of interest expense (excluding debt issuance costs amortization) related to our loans payable.

The principal payments due on the loans payable (excluding debt issuance costs) for the period from July 1, 2021 to December 31, 2021 and for each of the four following years and thereafter ending December 31 are as follows:

Years Ending	Principal Amount
July 1, 2021 to December 31, 2021	\$ 543,000
2022	1,116,000
2023	1,158,000
2024	1,201,000
2025	1,246,000
Thereafter	41,405,000
	<u>\$ 46,669,000</u>

5. Equity-Method Investments

As of June 30, 2021 and December 31, 2020, the aggregate balances of our Equity-Method Investments were approximately \$7.8 million and \$11.4 million, respectively, and are as follows:

Summit Union Life Holdings, LLC

The SUL JV will exist until an event of dissolution occurs, as defined in the limited liability company agreement of the SUL JV (the "SUL LLC Agreement").

Under the SUL LLC Agreement, net operating cash flow of the SUL JV is distributed monthly, first to the Operating Partnership and Best Years *pari passu* up to a 9% to 10% annual return, as defined, and thereafter to Best Years 75% and the Operating Partnership 25%. All capital proceeds from the sale of the properties held by the SUL JV, a refinancing or another capital event will be paid first to the Operating Partnership and Best Years *pari passu* until each has received an amount equal to its accrued but unpaid 9% to 10% return plus its total contribution, and thereafter to Best Years 75% and the Operating Partnership 25%.

As of June 30, 2021 and December 31, 2020, the balance of our equity-method investment related to the SUL JV was approximately \$2.5 million and \$2.7 million, respectively.

Summit Fantasia Holdings, LLC

The Fantasia JV will exist until an event of dissolution occurs, as defined in the limited liability company agreement of the Fantasia JV (the “Fantasia LLC Agreement”).

Under the Fantasia LLC Agreement, net operating cash flow of the Fantasia JV is distributed quarterly, first to the Operating Partnership and Fantasia *pari passu* until each member has received an amount equal to its accrued, but unpaid 8% return, and thereafter 50% to Fantasia and 50% to the Operating Partnership. All capital proceeds from the sale of the properties held by the Fantasia JV, a refinancing or another capital event, will be paid first to the Operating Partnership and Fantasia *pari passu* until each has received an amount equal to its accrued but unpaid 8% return plus its total capital contribution, and thereafter 50% to Fantasia and 50% to the Operating Partnership.

As of June 30, 2021 and December 31, 2020, the balance of our equity-method investment related to the Fantasia JV was approximately \$2.1 million and \$2.0 million, respectively.

Summit Fantasia Holdings II, LLC

The Fantasia II JV will exist until an event of dissolution occurs, as defined in the limited liability company agreement of the Fantasia II JV (the “Fantasia II LLC Agreement”).

Under the Fantasia II LLC Agreement, net operating cash flow of the Fantasia JV is distributed quarterly, first to the Operating Partnership and Fantasia *pari passu* until each member has received an amount equal to its accrued, but unpaid 8% return, and thereafter 70% to Fantasia and 30% to the Operating Partnership. All capital proceeds from the sale of the properties held by the Fantasia II JV, a refinancing or another capital event, will be paid first to the Operating Partnership and Fantasia *pari passu* until each has received an amount equal to its accrued but unpaid 8% return plus its total capital contribution, and thereafter 70% to Fantasia and 30% to the Operating Partnership.

As of June 30, 2021 and December 31, 2020, the balance of our equity-method investment related to the Fantasia II JV was approximately \$1.4 million and \$1.4 million, respectively.

Summit Fantasia Holdings III, LLC

The Fantasia III JV will continue until an event of dissolution occurs, as defined in the limited liability company agreement of the Fantasia III JV (the “Fantasia III LLC Agreement”).

Under the Fantasia III LLC Agreement, net operating cash flow of the Fantasia III JV is distributed quarterly, first to the Operating Partnership and Fantasia *pari passu* until each member has received an amount equal to its accrued, but unpaid 9% return, and thereafter 75% to Fantasia and 25% to the Operating Partnership. All capital proceeds from the sale of the properties held by the Fantasia III JV, a refinancing or another capital event, will be paid first to the Operating Partnership and Fantasia *pari passu* until each has received an amount equal to its accrued but unpaid 9% return plus its total capital contribution, and thereafter 75% to Fantasia and 25% to the Operating Partnership.

As of June 30, 2021 and December 31, 2020, the balance of our equity-method investment related to the Fantasia III JV was approximately \$1.5 million and \$1.6 million, respectively.

Summit Fantasy Pearl Holdings, LLC

The FPH JV will continue until an event of dissolution occurs, as defined in the limited liability company agreement of the FPH JV (the “FPH LLC Agreement”).

[Table of Contents](#)

Under the FPH LLC Agreement, net operating cash flow of the FPH JV is distributed quarterly, first to the members *pari passu* until each member has received an amount equal to its accrued, but unpaid 9% return, and thereafter 65.25% to Fantasy, 7.5% to Atlantis, 7.25% to Fantasia and 20% to the Operating Partnership. All capital proceeds from the sale of the properties held by the FPH JV, a refinancing or another capital event, will be paid to the members *pari passu* until each has received an amount equal to its accrued but unpaid 9% return plus its total capital contribution, and thereafter 65.25% to Fantasy, 7.5% to Atlantis, 7.25% to Fantasia, and 20% to the Operating Partnership.

As of June 30, 2021 and December 31, 2020, the balance of our equity-method investment related to the FPH JV was approximately \$0.3 million and \$0.2 million, respectively.

Indiana JV

In June 2021, we sold our 15% interest in the Indiana JV for approximately \$5.4 million in cash. For the three and six months ended June 30, 2021, we recorded approximately \$3.5 million in gain on the sale from this equity-method investment which is included in our condensed consolidated statements of operations under Gain from sale of equity-method investment.

As of June 30, 2021 and December 31, 2020, the balance of our equity-method investment related to the Indiana JV was approximately \$0 and \$3.5 million, respectively.

Summarized Financial Data for Equity-Method Investments

Acquisition and Asset Management Fees

We serve as the manager of our Equity-Method Investments and provide management services in exchange for fees and reimbursements. As the manager, we are paid an acquisition fee, as defined in the applicable joint venture agreements.

Additionally, we are paid an annual asset management fee for managing the properties held by our Equity-Method Investments, as defined in those agreements. For each of the three months ended June 30, 2021 and 2020, we recorded approximately \$0.3 million in acquisition and asset management fees from our Equity-Method Investments. For each of the six months ended June 30, 2021 and 2020, we recorded \$0.6 million in acquisition and asset management fees from our Equity-Method Investments (see Note 7).

6. Receivables

Tenant and Other Receivables, Net

Tenant and other receivables, net consists of:

	June 30, 2021	December 31, 2020
Straight-line rent receivables	\$ 2,278,000	\$ 2,772,000

Total	<u>\$ 3,351,000</u>	<u>\$ 4,677,000</u>

7. Related Party Transactions

CRA

Prior to the termination of our advisory agreement on April 1, 2014 with CRA (our former advisor, a related party), we incurred costs related to fees paid and costs reimbursed for services rendered to us by CRA through September 30, 2014. Some of the fees we had paid to CRA were considered to be in excess of allowed amounts and, therefore, CRA was required to reimburse us for the amount of the excess costs we paid to them. As of June 30, 2021 and December 31, 2020, the receivables from CRA are fully reserved due to the uncertainty of collectability and are included in tenant and other receivables in our condensed consolidated balance sheets (see Note 10).

As of June 30, 2021 and December 31, 2020, we had the following receivables and reserves related to CRA:

	Receivables	Reserves	Balance
Organizational and offering costs	\$ 738,000	\$ (738,000)	\$ —
Asset management fees and expenses	32,000	(32,000)	—

Operating expenses (2%/25% Test)	1,717,000	(1,717,000)	—
Total	<u>\$ 2,676,000</u>	<u>\$ (2,676,000)</u>	<u>\$ —</u>

Equity-Method Investments

See Notes 5 and 6 for further discussion of distributions and acquisition and asset management fees related to our Equity-Method Investments.

8. Concentration of Risk

Our cash is generally invested in short-term money market instruments. As of June 30, 2021, we had cash and cash equivalent accounts in excess of FDIC-insured limits. However, we do not believe the risk associated with this excess is significant.

As of June 30, 2021, we owned one property in California, three properties in Oregon, one property in Texas, one property in Illinois, and one property in Arizona (excluding the 36 properties held by our Equity-Method Investments). Accordingly, there is a geographic concentration of risk subject to economic conditions in certain states.

Additionally, for the three months ended June 30, 2021, we leased our seven real estate properties to five different tenants under long-term triple net leases, and three of the five tenants each represented more than 10% of our rental revenue. For the three months ended June 30, 2020, we leased our seven real estate properties to five different tenants under long-term triple net leases, and four of the five tenants each represented rental revenue greater than 10% (35%, 24%, 19% and 15%).

For the six months ended June 30, 2021, we leased our seven real estate properties to five different tenants under long-term triple net leases, and three of the five tenants each represented more than 10% of our rental revenue. For the six months ended June 30, 2020, we leased our seven healthcare properties to five different tenants under long-term triple net leases, and four of the five tenants each represented rental revenue greater than 10% (35%, 24%, 20% and 15%).

As of June 30, 2021, no tenants constituted a significant asset concentration as the net assets of the tenants were not greater than 20% of our total assets.

9. Fair Value Measurements of Financial Instruments

Our condensed consolidated balance sheets include the following financial instruments: cash and cash equivalents, restricted cash, notes receivable, tenant and other receivables, certain other assets, accounts payable and accrued liabilities, security deposits and loans payable. With the exception of the loans payable discussed below, we consider the carrying values to approximate fair value for such financial instruments because of the short period of time between origination of the instruments and their expected payment.

As of June 30, 2021 and December 31, 2020, the fair value of loans payable was \$52.0 million and \$52.6 million, compared to the principal balance (excluding debt discount) of \$46.7 million and \$47.2 million, respectively. The fair value of loans payable was estimated using lending rates available to us for financial instruments with similar terms and maturities. To estimate fair value as of June 30, 2021, we utilized discount rates ranging from 2.8% to 4.2% and a weighted average discount rate of 2.8%. As the inputs to our valuation estimate are neither observable in nor supported by market activity, our loans payable are classified as Level 3 liability within the fair value hierarchy.

As a result of our ongoing analysis for potential impairment of our investments in real estate, we may be required to adjust the carrying value of certain assets to their estimated fair values, or estimated fair value less selling costs, under certain circumstances. No impairments were recorded during the three and six months ended June 30, 2021 and 2020.

At June 30, 2021 and December 31, 2020, we do not have any financial assets or financial liabilities that are measured at fair value on a recurring basis in our condensed consolidated financial statements.

10. Commitments and Contingencies

We inspect our properties under a Phase I assessment for the presence of hazardous or toxic substances. While there can be no assurance that a material environmental liability does not exist, we are not currently aware of any environmental liability with respect to the properties that would have a material effect on our consolidated financial condition, results of operations and cash flows. Further, we are not aware of any environmental liability or any unasserted claim or assessment with respect to an environmental liability that we believe would require additional disclosure or the recording of a loss contingency.

Our commitments and contingencies include the usual obligations of real estate owners and licensed operators in the normal course of business. In the opinion of management, these matters are not expected to have a material impact on our consolidated financial condition, results of operations and cash flows. We are also subject to contingent losses resulting from litigation against the Company.

Legal Proceedings

On April 1, 2014, CRA and Cornerstone Ventures, Inc. filed a complaint in the Superior Court of California for the County of Orange-Central Justice Center, Case No. 30-2014-00714004-CU-BT-CJC, naming the Company, its former directors, one of its officers and one of its former officers as defendants, seeking declaratory and injunctive relief and compensatory and punitive damages. On September 17, 2014, we filed a First Amended Cross-Complaint seeking compensatory damages and an accounting pursuant to Sections 10(c)(i) and 17(c)(ii) of the Advisory Agreement and including any monies Plaintiffs and Terry Roussel directly or indirectly received from or paid to the Company. On February 22, 2018, the action was assigned to a different trial judge. On May 29, 2018, the Company filed a motion for terminating and monetary sanctions against CRA, Cornerstone Ventures, Inc. and their counsel, Winget Spadafora & Schwartzberg. On November 30, 2018, the new trial judge vacated the trial date, pending resolution of the Company's motion for terminating and monetary sanctions against CRA and Cornerstone Ventures, Inc. and denied the Company's motion for sanctions against Winget Spadafora & Schwartzberg. On February 13, 2019, the trial judge held another hearing on the Company's motion for terminating and monetary sanctions and indicated that it intended to grant the Company's motion for terminating sanctions and award the Company monetary sanctions. On March 14, 2019, the Court entered an Order and Judgment granting the Company's motion for terminating sanctions, awarding the Company monetary sanctions in the amount of \$588,672, and dismissing CRA and Cornerstone Ventures Inc.'s Complaint with prejudice. On May 21, 2019, CRA and Cornerstone Ventures, Inc. filed a notice of appeal from the Judgment and, on June 3, 2019, the Company filed a notice of cross-appeal from the Judgment. On July 9, 2019, the California Court of Appeal, Fourth District dismissed CRA and Cornerstone Ventures, Inc.'s appeal with prejudice. The briefing to the Court of Appeal, Fourth District on the Company's appeals against CRA, Cornerstone Ventures, Inc and Winget Spadafora & Schwartzberg was completed on April 27, 2020. On October 28, 2020, the Court of Appeal issued an opinion affirming in part, and reversing, in part, the trial court's opinion and remanded the action back to the trial court. On February 11, 2021, the trial court issued an order awarding an additional \$189,645 in monetary sanctions for the period prior to July 12, 2016 in favor of the Company and against CRA and CVI.

In September 2015, a bankruptcy petition was filed against Healthcare Real Estate Partners, LLC ("HCRE") by the investors in Healthcare Real Estate Fund, LLC and Healthcare Real Estate Qualified Purchasers Fund, LLC (collectively, the "Funds"). HCRE did not timely respond to the involuntary petition and the Bankruptcy Court entered an Order of Relief making HCRE a debtor in bankruptcy. As a result, HCRE was removed as manager under the Funds' operating agreement. Thereafter the Company became the manager of the Funds and purchased the investors' interests in the Funds for approximately \$0.9 million. Following the subsequent dismissal of the involuntary bankruptcy petition filed against it, HCRE filed a motion for attorneys' fees and damages and a separate complaint for violation of the automatic stay against the petitioning creditors and the Company in the United States Bankruptcy Court of the District of Delaware. The Bankruptcy Court granted a motion to dismiss the complaint for violation of the automatic stay filed jointly by the petitioning creditors and us, and dismissed the complaint with prejudice. HCRE appealed the Bankruptcy Court's decision to the United States District Court for the District of Delaware which affirmed the Bankruptcy Court's dismissal of the complaint in a decision dated September 9, 2018. On October 11, 2018, HCRE appealed the District Court's decision affirming the Bankruptcy Court's dismissal of the complaint to the United States Court of Appeals for the Third Circuit. On October 22, 2019, the Third Circuit granted HCRE's appeal, reversing the District Court and holding that HCRE could assert the adversary complaint seeking damages for violation of the automatic stay. The Company filed a Petition for Rehearing on November 5, 2019 asserting that HCRE is not entitled to assert a claim for damages for violation of the automatic stay. This Petition was denied and the mandate was issued sending the matter back to the Bankruptcy Court. The Bankruptcy Court held a status conference on February 4, 2021, and subsequently entered scheduling orders to govern discovery and pretrial matters, and discovery is ongoing. Based on the assessment by management of the numerous legal arguments that can be raised on this claim, the Company believes that a loss is currently not probable or estimable under ASC 450, "Contingencies", and as of June 30, 2021 no accrual has been made with regard to the claim. We believe that all of HCRE's remaining alleged claims are without merit and will vigorously defend ourselves.

Indemnification and Employment Agreements

We have entered into indemnification agreements with certain of our executive officers and directors which indemnify them against all judgments, penalties, fines and amounts paid in settlement and all expenses actually and reasonably incurred by him or her in connection with any proceeding. Additionally, effective October 1, 2018, we amended our employment agreements with our executive officers to extend the term of each agreement for an additional three years. These employment agreements include customary terms relating to salary, bonus, position, duties and benefits (including eligibility for equity compensation), as well as a cash payment following a change in control of the Company, as defined in such agreements.

Management of our Equity-Method Investments

As the manager of our Equity-Method Investments, we are responsible for the day-to-day management. Additionally, we could be subject to a capital call from our Equity-Method Investments.

11. Equity

Share-Based Compensation Plans

Upon the grant of stock options, we determine the exercise price by using our estimated per-share value, which is calculated by aggregating the estimated fair value of our investments in real estate and the estimated fair value of our other assets, subtracting the book value of our liabilities, utilizing a discount for the fact that the shares are not currently traded on a national securities exchange and a lack of a control premium, and divided by the total by the number of our common shares outstanding at the time the options were granted.

The fair value of each grant is estimated on the date of grant using the Black-Scholes option-pricing model. Assumptions required by the model include the risk-free interest rate, the expected life of the options, the expected stock price volatility over the expected life of the options, and the expected distribution yield. Compensation expense for employee stock options is recognized ratably over the vesting term. The expected life of the options was based on the simplified method as we do not have sufficient historical exercise data. The risk-free interest rate was based on the U.S. Treasury yield curve at the date of grant with maturity dates approximating the expected term of the options at the date of grant. Volatility was based on historical volatility of the stock prices for a sample of publicly traded companies with risk profiles similar to ours. The valuation model applied in this calculation utilizes highly subjective assumptions that could potentially change over time, including the expected stock price volatility and the expected life of an option.

The following table summarizes our stock options as of June 30, 2021:

	Options	Weighted Average Exercise Price	Weighted Average Remaining Contractual Term	Aggregate Intrinsic Value
Options outstanding at January 1, 2021	1,871,908	\$ 2.09

[Table of Contents](#)

For our outstanding non-vested options as of June 30, 2021, the weighted average grant date fair value per share was \$0.59. As of June 30, 2021, we have unrecognized stock-based compensation expense related to unvested stock options which is expected to be recognized as follows:

Years Ending December 31,	
July 1, 2021 to December 31, 2021	\$ 19,000
2022	15,000
2023	1,000
	<u>\$ 35,000</u>

The stock-based compensation expense reported for the three months ended June 30, 2021 and 2020 was approximately \$11,000 and \$38,000, respectively, and is included in general and administrative expense in the condensed consolidated statements of operations. The stock-based compensation expense reported for the six months ended June 30, 2021 and 2020 was approximately \$47,000 and \$80,000, respectively, and is included in general and administrative expense in the condensed consolidated statements of operations.

12. Earnings Per Share

The following table presents the calculation of basic and diluted earnings per share ("EPS") for the Company's common stock for the three and six months ended June 30, 2021 and 2020, and reconciles the weighted-average common shares outstanding used in the calculation of basic EPS to the weighted-average common shares outstanding used in the calculation of diluted EPS:

13. Subsequent Events

On July 2, 2021, through our wholly-owned subsidiary, we acquired three skilled nursing facilities, two located in Yucaipa, California and one located in Mentone, California (collectively, the “CA3 Properties”), for the purchase price of \$20,055,000, which was funded through cash on hand plus the proceeds from the loan described below. The CA3 Properties are leased to three unrelated parties under three separate 15-year triple net leases, each of which has two five-year renewal options.

We acquired our interest in the CA3 Properties subject to a first priority mortgage loan collateralized by the properties. On July 2, 2021, we entered into a loan agreement with CIBC Bank, USA for \$15.0 million in principal amount. The loan bears interest at the One Month London Interbank Offer Rate (LIBOR) plus 4.00%, and matures on July 2, 2024. The loan is interest only for the first year and thereafter requires additional monthly installments of principal that are held by the lender in a cash loan guarantee fund until maturity. The loan may be prepaid at any time with no penalty if the CA3 Properties are refinanced through the Department of Housing and Urban Development or if not, we would be required to pay an exit fee, as defined in the loan agreement.

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations.

The following “Management’s Discussion and Analysis of Financial Condition and Results of Operations” should be read in conjunction with our unaudited condensed consolidated financial statements and notes thereto contained elsewhere in this report. This section contains forward-looking statements, including estimates, projections, statements relating to our business plans, objectives and expected operating results, and the assumptions upon which those statements are based. These forward-looking statements generally are identified by the words “believes,” “project,” “expects,” “anticipates,” “estimates,” “intends,” “strategy,” “plan,” “may,” “will,” “would,” “will be,” “will continue,” “will likely result,” and similar expressions. Forward-looking statements are based on current expectations and assumptions that are subject to numerous risks and uncertainties which may cause actual results to differ materially from the forward-looking statements. Forward-looking statements that were true at the time made may ultimately prove to be incorrect or false. We undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise. All forward-looking statements should be read in light of the risks identified in Part I, Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2020 filed with the U.S. Securities and Exchange Commission (the “SEC”) on March 29, 2021.

Overview

As of June 30, 2021, our ownership interests in our seven real estate properties of senior housing facilities was as follows: 100% ownership of three properties and a 95.3% interest in four properties in a consolidated joint venture, Cornerstone Healthcare Partners LLC. Additionally, we have a 10% interest in an unconsolidated equity-method investment that owns 17 properties, a 35% equity interest in an unconsolidated equity-method investment that holds two properties, a 20% equity interest in an unconsolidated equity-method investment that holds two properties, a 10% equity interest in an unconsolidated equity-method investment that holds nine properties, and a 10% equity interest in an unconsolidated equity-method investment that holds six properties (collectively, our “Equity-Method Investments”). In June 2021, we sold our 15% equity interest in an unconsolidated equity-method investment that held 14 properties. As used in this report, the “Company,” “we,” “us” and “our” refer to Summit Healthcare REIT, Inc. and its consolidated subsidiaries, except where the context otherwise requires.

Our revenues are comprised largely of tenant rental income from our seven real estate properties, including rents reported on a straight-line basis, where applicable, over the initial term of each tenant lease, and acquisition and asset management fees resulting from our Equity-Method Investments. We also receive cash distributions from our Equity-Method Investments, which are included in net cash provided by operating activities and net cash provided by investing activities in our condensed consolidated statements of cash flows. Our growth depends, in part, on our ability to continue to raise joint venture equity or other equity, acquire new healthcare properties at attractive prices, negotiate long-term tenant leases with sustainable rental rate escalation terms and control our expenses. Our operations are impacted by property-specific, market-specific, general economic, regulatory and other conditions.

We believe that continued investing in senior housing facilities is accretive to earnings and stockholder value. Senior housing facilities include independent living facilities (“IL”), skilled nursing facilities (“SNF”), assisted living facilities (“AL”), memory care facilities (“MC”) and continuing care retirement communities (“CCRC”). Each of these types of facilities focuses on different segments of the senior population.

Coronavirus (COVID-19)

Since it was first reported in December 2019, COVID-19 has spread globally. The COVID-19 pandemic and measures to prevent its spread negatively impacted senior housing and skilled nursing facilities in a number of ways, including decreased occupancy and increased operating costs, which could have a material adverse effect on the ability of our tenants to meet their financial and other contractual obligations to us, including the payment of rent (see Note 2 to the accompanying Notes to Condensed Consolidated Financial Statements for further information). Furthermore, infections at our facilities could lead to material increases in litigation costs for which our tenants, or possibly we, may be liable.

[Table of Contents](#)

If these types of developments continue or increase in severity, or arise with more frequency, including but not limited to developments in connection with emerging variants of COVID-19, they are likely to have a material adverse effect on our business and results of operations. The extent to which COVID-19 could impact our business and results of operations will depend on future developments, which are highly uncertain and cannot be predicted with confidence, including the duration of the outbreak, new information that may emerge concerning the severity of COVID-19 and the actions taken to contain COVID-19 or treat its impact, among others.

The healthcare industry was among those most adversely affected by the COVID-19 pandemic. During 2020, the Coronavirus Aid, Relief and Economic Security (CARES) Act was enacted to provide economic stimulus and assistance to business owners to help maintain on-going operations in the form of grants, forgivable loans and other relief. The skilled nursing and assisted living operators in the Company's portfolio have been able to benefit from these federal and state government assistance programs.

Healthcare personnel and residents of long-term care facilities, including SNF, AL, and MC facilities, were included among those offered the first supply of the COVID-19 vaccines. Many of our consolidated and Equity Method Investments facilities have administered the vaccine to residents and employees. It is too early to assess the total effect of the vaccinations on the industry, but it is believed they will help save the lives of those who are most at risk, as well as lessen the operational and financial burden on our facilities and their employees.

Summit Portfolio Properties

At June 30, 2021, our portfolio consisted of seven real estate properties as noted above. All of the properties are 100% leased on a triple net basis. The following table provides summary information (excluding the 36 properties held by our unconsolidated Equity-Method Investments) regarding these properties as of June 30, 2021:

	Properties	Beds	Square Footage	Purchase Price

¹ Represents year-to-date rental revenue based on in-place leases, including straight-line rent and excluding straight-line rent write offs of \$0.5 million, through June 30, 2021 and excluding \$0.3 million in tenant reimbursements.

On July 2, 2021, we acquired three properties in California for approximately \$20 million. See Note 13 to the accompanying Notes to Condensed Consolidated Financial for further information.

Summit Equity-Method Investment Portfolio Properties

We continue to believe that raising institutional joint venture equity to make acquisitions will be accretive to shareholder value. Our sole source of equity since 2015 has been institutional funds raised through a joint venture structure and accounted for as equity-method investments. We continue to believe this is a prudent strategy for growth.

Equity-Method Partner - Fantasia Investment III LLC

In 2016 and 2017, through our Operating Partnership, we entered into three separate limited liability company agreements (collectively, the “Fantasia Agreements”) with Fantasia Investment III LLC (“Fantasia”), an unrelated entity and a U.S.-based affiliate of Fantasia Holdings Group Co., Limited (a Chinese corporation listed on the Stock Exchange of Hong Kong (HKEX)), and formed three separate companies, Summit Fantasia Holdings, LLC (“Fantasia I”), Summit Fantasia Holdings II, LLC (“Fantasia II”) and Summit Fantasia Holdings III, LLC (“Fantasia III”) (collectively, the “Fantasia JVs”). The Fantasia JVs are not consolidated in our condensed consolidated financial statements and are accounted for under the equity-method. Through the Fantasia JVs: we own a 35% interest in two senior housing facilities, one located in California and one located Oregon; a 20% interest in two skilled nursing facilities located in Rhode Island; and a 10% interest in nine skilled nursing facilities located in Connecticut.

The following reconciles our equity investments in the Fantasia JVs from inception through June 30, 2021:

- (1) Net operating income (“NOI”) is a non-GAAP supplemental measure used to evaluate the operating performance of real estate properties. We define NOI as total rental revenues less property operating costs. NOI excludes acquisition and asset management fees, interest income from notes receivable, general and administrative expense, depreciation and amortization, income from equity-method investees, gain on sale of equity-method investment, other income, and interest expense. We believe NOI provides investors relevant and useful information because it measures the operating performance of the REIT’s real estate at the property level on an unleveraged basis. We use NOI to make decisions about resource allocations and to assess and compare property-level performance. We believe that net income (loss) is the most directly comparable GAAP measure to NOI. NOI should not be viewed as an alternative measure of operating performance to net income (loss) as defined by GAAP since it does not reflect the aforementioned excluded items. Additionally, NOI as we define it may not be comparable to NOI as defined by other REITs or companies, as they may use different methodologies for calculating NOI.

Total rental revenues for our properties includes rental revenues and tenant reimbursements for property taxes and insurance. Property operating costs include insurance, property taxes and other operating expenses. Net operating income decreased approximately \$0.3 million for the three months ended June 30, 2021 compared to the three months ended June 30, 2020 primarily due to the reduction in rental revenue from Pennington Gardens and Sundial Assisted Living (approximately \$132,000) and write off of straight-line rent (approximately \$105,000) from Sundial Assisted Living (see Note 2 to the accompanying Notes to Condensed Consolidated Financial Statements under Coronavirus (COVID-19)).

The net decrease of approximately \$0.7 million from income to loss from equity-method investments for the three months ended June 30, 2021 compared to the three months ended June 30, 2020 is primarily due to the an increase in the loss related to a reduction in rental revenue recorded for the Indiana JV, our Equity-Method Investment (see Note 5 to the accompanying Notes to Condensed Consolidated Financial Statements for further information related to the sale of our interest in the Indiana JV in June 2021).

The net increase in gain on sale of equity-method investment of approximately \$3.5 million for the three months ended June 30, 2021 compared to the three months ended June 30, 2020 is due to the sale of our equity interest in the Indiana JV (see Note 5 to the accompanying Notes to Condensed Consolidated Financial Statements for further information related to the sale of our interest in the Indiana JV in June 2021).

[Table of Contents](#)

The net decrease in interest expense of \$0.1 million for the three months ended June 30, 2021 compared to the three months ended June 30, 2020 is primarily due to a decrease in the interest rate for a U.S. Department of Housing and Urban Development (“HUD”) refinancing for one of our properties in April 2020.

Total rental revenues for our properties includes rental revenues and tenant reimbursements for property taxes and insurance. Property operating costs include insurance, property taxes and other operating expenses. Net operating income decreased approximately \$1.0 million for the six months ended June 30, 2021 compared to the six months ended June 30, 2020 primarily due to the reduction in rental revenue (\$0.4 million) and write off of straight-line rent (\$0.5 million) from Pennington Gardens and Sundial Assisted Living (see Note 2 to the accompanying Notes to Condensed Consolidated Financial Statements under *Coronavirus (COVID-19)*).

The net increase in general and administrative expenses of \$0.7 million for the six months ended June 30, 2021 compared to the six months ended June 30, 2020 is primarily due to the write off of expenses associated with a terminated transaction of approximately \$0.6 million and an increase in payroll related expenses and other professional expenses of approximately \$0.1 million.

The net decrease of approximately \$1.0 million from income to loss from equity-method investments for the six months ended June 30, 2021 compared to the six months ended June 30, 2020 is primarily due to the increase in the loss related to a reduction in rental revenue recorded for the Indiana JV, our Equity-Method Investment (see Note 5 to the accompanying Notes to Condensed Consolidated Financial Statements for further information related to the sale of our interest in the Indiana JV in June 2021).

The net increase in gain on sale of equity-method investment of approximately \$3.5 million for the six months ended June 30, 2021 compared to the six months ended June 30, 2020 is due to the sale of our equity interest in the Indiana JV (see Note 5 to the accompanying Notes to Condensed Consolidated Financial Statements for further information related to the sale of our interest in the Indiana JV in June 2021).

The net decrease in interest expense of \$0.2 million for the six months ended June 30, 2021 compared to the six months ended June 30, 2020 is primarily due to a decrease in the interest rate for a HUD refinancing for one of our properties in April 2020.

Liquidity and Capital Resources

As of June 30, 2021, we had approximately \$21.0 million in cash and cash equivalents on hand. In July 2021, we acquired three skilled nursing facilities for approximately \$20.0 million which was financed with a \$15.0 million first priority mortgage loan collateralized by the properties and approximately \$5 million in cash on hand. Based on current conditions, we believe that we have sufficient capital resources to sustain operations.

Going forward, we expect our primary sources of cash to be rental revenues, joint venture distributions, and acquisition and asset management fees. In addition, we may increase cash through the sale of additional properties, which may result in the deconsolidation of properties we already own, or borrowing against currently-owned properties. For the foreseeable future, we expect our primary uses of cash to be for funding future acquisitions, investments in joint ventures, operating expenses, interest expense on outstanding indebtedness and the repayment of principal on loans payable. We may also incur expenditures for renovations of our existing properties, making our facilities more appealing in their market.

All of our debt obligations are long-term, fixed rate HUD-insured loans that mature between 2039 and 2055.

Our liquidity will increase if cash from operations exceeds expenses, we receive net proceeds from the sale of whole or partial interest in a property or properties, or refinancing results in excess loan proceeds. Our liquidity will decrease as proceeds are expended in connection with our acquisitions and operation of properties.

CARES Act

During 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted to provide economic stimulus and assistance to business owners to help maintain on-going operations in the form of grants, forgivable loans and other relief. We did not obtain a paycheck protection program loan. We have evaluated the CARES Act and determined that there was no impact to the Company for the three and six-month period ended June 30, 2021 and for the year ended December 31, 2020. We will continue to evaluate and monitor the CARES Act, and any new COVID-19-related legislation to determine the ultimate impact and benefits, if any, to the Company.

Credit Facilities and Loan Agreements

As of June 30, 2021, we had debt obligations of approximately \$46.7 million. The outstanding balance by loan agreement is as follows (see Note 4 to the accompanying Notes to Condensed Consolidated Financial Statements for further information regarding our refinancing arrangements):

- Capital One Multifamily Finance, LLC (HUD-insured) – approximately \$10.3 million maturing September 2053
- Lument Capital (formerly ORIX Real Estate Capital, LLC) (HUD-insured) – approximately \$36.4 million maturing from September 2039 through April 2055

Distributions

We made no stockholder distributions during the six months ended June 30, 2021.

Funds from Operations (“FFO”)

FFO is a non-GAAP supplemental financial measure that is widely recognized as a measure of REIT operating performance. We compute FFO in accordance with the definition outlined by the National Association of Real Estate Investment Trusts (“NAREIT”). NAREIT defines FFO as net income (loss), computed in accordance with GAAP, excluding gains or losses from sales of property, plus depreciation and amortization and after adjustments for unconsolidated partnerships and joint ventures.

[Table of Contents](#)

Our FFO may not be comparable to FFO reported by other REITs that do not define the term in accordance with the current NAREIT definition or that interpret the current NAREIT definition differently than we do. We believe that FFO is helpful to investors and our management as a measure of operating performance because it excludes depreciation and amortization, gains and losses from property dispositions, impairments and extraordinary items, and as a result, when compared period to period, reflects the impact on operations from trends in occupancy rates, rental rates, operating costs, development activities, general and administrative expenses, and interest costs, which is not immediately apparent from net income. Historical cost accounting for real estate assets in accordance with GAAP implicitly assumes that the value of real estate diminishes predictably over time. Since real estate values have historically risen or fallen with market conditions, many industry investors and analysts have considered the presentation of operating results for real estate companies that use historical cost accounting alone to be insufficient. As a result, our management believes that the use of FFO, together with the required GAAP presentations, provide a more complete understanding of our performance. Factors that impact FFO include start-up costs, fixed costs, delays in buying assets, lower yields on cash held in accounts pending investment, income from portfolio properties and other portfolio assets, interest rates on acquisition financing and operating expenses. FFO should not be considered as an alternative to net income (loss), as an indication of our performance, nor is it indicative of funds available to fund our cash needs, including our ability to make distributions.

The following is the reconciliation from net income (loss) applicable to common stockholders, the most direct comparable financial measure calculated and presented with GAAP, to FFO for the three months ended June 30, 2021 and 2020:

CERTIFICATIONS OF PRINCIPAL EXECUTIVE OFFICER

I, Kent Eikanas, certify that:

1. I have reviewed this quarterly report on Form 10-Q of Summit Healthcare REIT, Inc.;
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;
4. The registrant's other certifying officer and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the registrant and have:
 - (a) designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - (b) designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
 - (c) evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - (d) disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and
5. The registrant's other certifying officer and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's board of directors (or persons performing the equivalent functions):
 - (a) all significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and
 - (b) any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.
